Detailed organization of the academic year resulting from the plan and program of studies, containing a list of subjects, practices and other duties, is determined by the Dean of the Faculty after consultation with the student government body and announced at least 2 weeks before the beginning of the semesters.

Completion of the year also includes the completing of practices and should be completed by 18<sup>th</sup> September 2020.

The dates of the summer retake session may be changed by the Dean of the Faculty after consultation with the students' council.
